

Supply Chain Security Policy

JAUME & SERE 

Jaume & Seré establishes a Supply Chain Security Policy integrated with its quality certifications under ISO 9001 and Information Security under ISO 27001.

- We provide our clients with security and confidence in foreign trade and logistics services, in full compliance with agreed specifications.
- We work with practical methodologies and innovative technological solutions that optimize our Clients' resources.
- We invest in technology and professional training to ensure profitability and the continuous improvement of the quality of the solutions we offer.
- We are committed to continuous improvement in the development of our processes in order to anticipate new Client requirements.
- We coordinate qualified personnel, promoting a positive teamwork attitude and valuing the significant impact this has on the Total Quality of our services.
- We contract international-level suppliers, establishing mutually beneficial relationships.
- We protect our staff, facilities, and our Clients' goods with the most secure systems.
- We are committed to complying with current legal and regulatory requirements applicable to each service.
- We develop and implement preventive actions aimed at avoiding smuggling of goods, narcotics, and terrorism through our organization's operations.
